*** Dedication ***

We, the Mariner Staff of the year Nineteen Hundred Fifty Seven, dedicate this annual to our ardent and patient class sponsor and choral teacher, Mrs. Louise Fullwood.

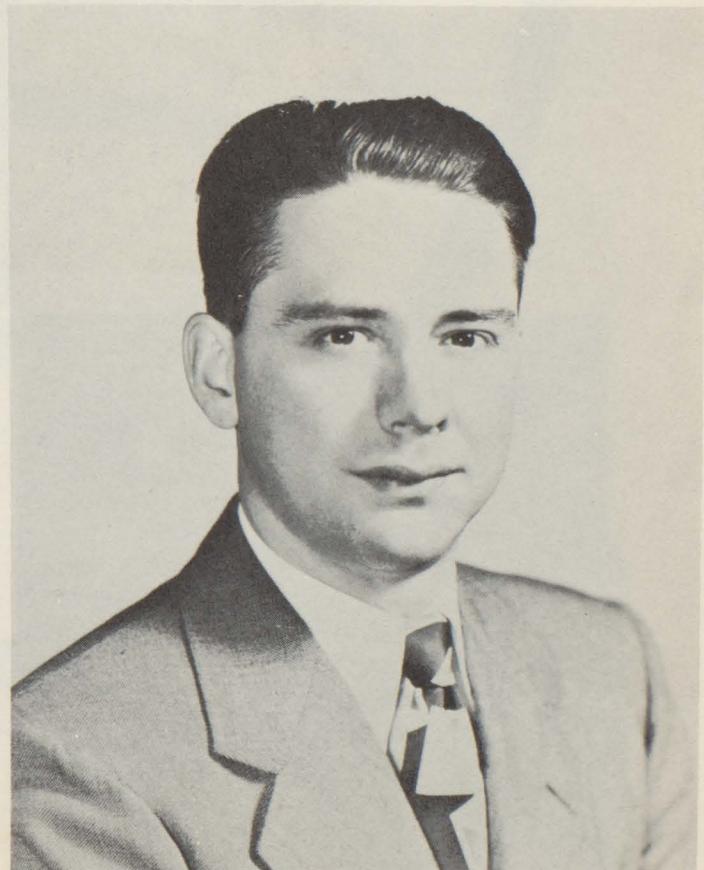

Throughout the years she has been with us all the way, using her many talents and abilities to provide substantial foundation for our embarking upon the threshold of our future. We are indebted to her for all the many times she has borne with us through the innumerable instances when understanding and support we greatly needed.

From the bottom of our hearts we thank you, Mrs. Fullwood.

Marine City lost the first game of the '56 season to Imlay City 33-6.

In the first league game of this year, the Mariners lost to Algonac 21-0 in the "little brown jug" battle.

Coming from behind, M. C. overpowered a rugged Blue Devil eleven in the closing minutes of the game to the tune of 14-13.

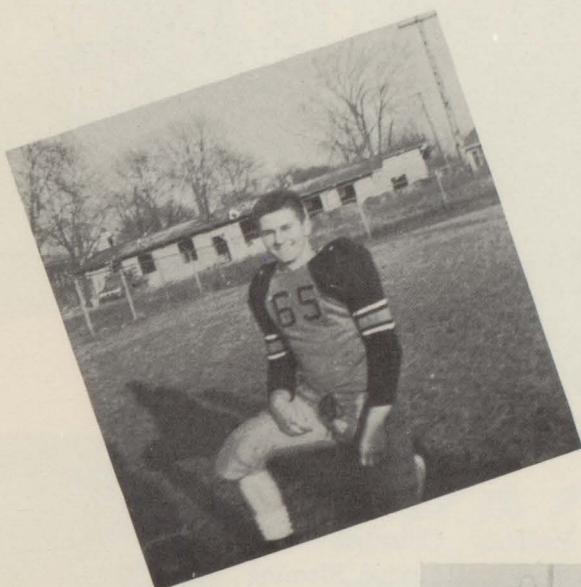

After nine consecutive years of defeating Holy Cross, the Mariners lost 13-8.

Looking for the second win of the year, M. C. lost a hard fought battle with St. Clair 20-13.

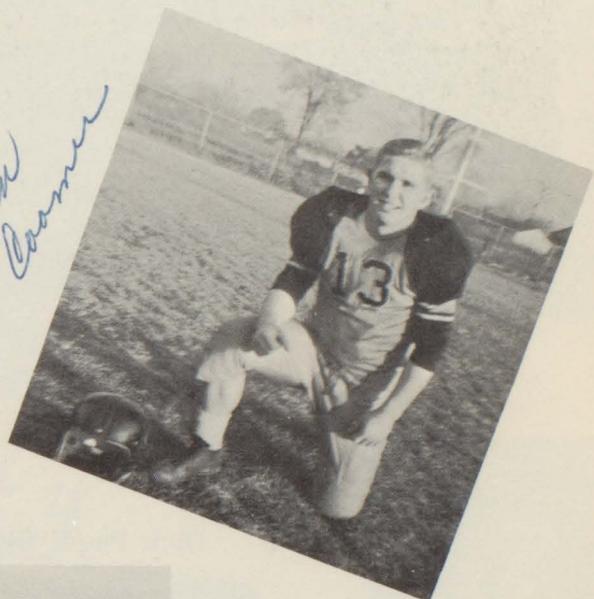

The Mariners, after having lost four of five games played, lost No. 5 to St. Stephens by a score of 19-0.

Marine City defeated Anchor Bay on Dad's Night 15-12.

Undefeated Marysville found Marine City tougher than expected. Although M. C. lost 20-0, the team did better against the Vikings than most of the other teams in the league did.

Basketball Writeups

December 7: The first game of the season proved fatal for the Mariners as they travelled to Marysville and were defeated by a score of 53-33.

December 14: The Marine City quintet came back fighting when they took to the road for the next game with New Baltimore, winning 49-48 when Tom Pfingst made two free throws in the last five seconds.

December 18: With Marine City at a disadvantage when the team lost its 6' 4" center, it dropped its third game to Saint Clair 57-45 on the home court. Brenner and Scharnweber were high scorers with 21 and 11 respectively.

December 21: When the Mariners tackled Algonac, they bit off more than they could chew. While trailing in the first three quarters, Marine City took over in the fourth quarter, but they were outscored 68-58. Three men got double figures in points: Brenner, 20; Scharnweber, and Reichle, each 12. Don Reichle was injured and was lost for the season.

January 4: The Marine City five started the New Year off right when they hit the road for Richmond's small gym and defeated the Blue Devils 52-48. Biscorner had 15 points, and Pfingst and Brenner each had 11.

January 5: Holy Cross proved to be a very spirited five when they tangled with the Mariners. It was a very low-scoring game with Marine City once again coming out on top 31-27.

January 18: With five men in double figures, the little Mariners, who had no one over 6' 1", fought off Armstrong and Nofs who are 6' 4 1/2" and 6' 3" respectively. St. Stephen's press in the third quarter set the Mariners up for their win when they overcame the press and scored steadily. Brenner, Biscorner, and Scharnweber scored 13 each, and Pfingst and Coomer got 11 and 10.

January 23: The Mariners' second meeting with the Vikings was a more exciting game than the first one. It was neck and neck all through the game until Marysville parted the net in the last few seconds to win 49-47. High scorers for Marine City were Biscorner with 19 and Coomer with 11.

January 29: Marine City met underrated Anchor Bay and lost its fifth League game. The game was very close with neither team able to build more than a four-point lead. High men were Biscorner with 22 and Brenner with 12.

February 1: A determined Marine City five marched off for St. Clair to make up for the loss in the first outing and gain a five-five record. The Mariners beat St. Clair 62-57 and regained a .500 per cent average. Four boys hit double figures to pull Marine City through. Coomer and Biscorner had 15 each, and Nichols and Brenner got 13 and 11.

February 8: A trip south was too much for the Mariners. They couldn't find their range in the first quarter as Algonac's Muskrats racked up a 29-8 lead. Marine City managed to stay with them in the last three quarters but could not overpower them. The score was 75-59 as Biscorner hit for 28 points.

February 15: Marine City once again overpowered Richmond on the home court and won 72-56. Again Biscorner was high with 24; and Brenner, 16.

February 22: The second game with the crosstown rivals was another low-scoring game. Holy Cross fell short when Marine City put on a stall with four minutes left to earn a 38-36 victory.

February 26: Marine City played its only exhibition game with Yale and lost 69-60. The Mariners stayed with the Yale team all through the game but couldn't get those last few baskets.

March 1: St. Stephen travelled to Marine City with revenge in mind and did exactly that by beating the Mariners 65-50.

Tournaments:

March 5: For the third time in the 1956-1957 season, the Mariners met Richmond, in the first game of the District Tournaments. In the first two outings Marine City defeated the Blue Devils and again in the third game proved to be too much for them. The score was 54-31 with Pfingst and Biscorner netting 19 and 18 respectively.

March 7: The little Mariners clashed with Imlay City's five. Imlay City had a 16-0 record in its league conference while Marine City had an 8-8. The Mariners stayed even with the Spartans throughout the game and came within two points but couldn't find that extra something and lost 35-30.

President's Address

Welcome, friends and relatives, to the graduation of the class of 1957.

This is the last activity in which the class of '57, as a group, will take part. We are about to make this big move in the great game of life. We will make it together, and then, each going his own way, we will discard the wraps of childhood and undertake life as individuals. In the past four years the faculty have tried not only to teach us in our chosen subjects, but also to impress upon us some of the rules of life. I wish to thank them graciously for all they have taught us.

Some men were destined to be scholars; some, business or social workers; and others, the backbone of America, the working men. From the class of '57 will come the citizens who will fill these and many more vocations. We are the citizens of tomorrow, and tomorrow is but a short time away.

I am sure this world will be a much nicer place in which to live if the seniors of our class will be as friendly and as helpful to everyone they meet as they have been to me.

Class History

The baseball team of M. C. H. S. gathered for its first inning of their most important game in September, 1953. As the game started, the team consisted of 83 members. For our captain we chose Sam Polio and our coach was Mrs. McCarron and scorekeeper, Miss Brown. It took us nine months to complete that inning, but at the end of those nine months we held a victory.

After a two and one-half months rest, we came back eager to start our second inning. Our team then consisted of 79 members after four of them had been struck out. Our captain for that inning was Sally Chapman and voted the most valuable players were Charlotte Kaufman, Margaret Dionne, and Jean Waytulonis. Since we liked our coach and scorekeeper so well, we kept Mrs. McCarron and Miss Brown with us.

We started the second inning off good with an after-game dance and a candy sale. We took time out for Thanksgiving and Christmas holidays and then, in May, we made a wonderful home-run with our plans for the Baccalaureate. At the end of this inning we took time off again for ten more weeks rest.

At the beginning of the third inning there were only 68 members. We had John Closs for our captain this year with Rita Foxworthy, Barbara Smith, and Darlene Buchler for our most valuable players. We made another attempt to up the score with an aftergame dance. Then we got far ahead of our opponents with another home-run by giving a J-Hop which we called "Viva Paree." A magazine sale also helped us to up our score a few more points. Our opponents gave us a rough time that inning so we took another ten weeks off to rest up.

Back again in 1956 we were well-rested and ready to start our fourth and last inning. Our captain was Denny Teichow with Kenny Kinyon, Barbara Smith, and Mary Jo Bassett as our most valuable players. With 67 members we ran up more points by having an aftergame dance and a candy sale. A Christmas car sale gave us a real up in the score. We went along very well and then shot up to the top with our senior play and senior prom. We had won our game and our coach, Mr. Trudell, and our scorekeeper, Mrs. Fullwood, joined us in our award of a senior trip. When we came back, we were given a dinner by our successors, the class of '58. We ended it all by a graduation ceremony, which placed each one of us in a more difficult game of becoming adults.

Class Poem

Seniors we have come to be,
After four long years upon the sea.
A mighty crew with heads held high,
And unyielding spirits that never die.

First we built a sturdy ship,
To prepare ourselves for the hard long trip.
We braved the stroms, and weathered the rain,
Only to set our sails again.

Our aim is straight, our goal is sure,
Our hearts are light, our minds are pure.
We march in time with shoulders back,
For courage and bravery we'll never lack.

We sailed along with happy hearts,
Knowing soon we would have to part.
Even though those years seemed long,
We know now, that we were wrong.

We want to give thanks to the Admiral of our ship,
We've all had a joyful four-year trip.
None of us will ever forget M. C.,
It will be like a second home to you and me.

So give thanks again to Admiral Trudell,
Cause we all think he's been understanding and swell.
And who can forget all the captains we've had,
Who helped us along----for this we are glad.

The years have gone by and now we must part,
But the memories we have, will stay in our heart.

So hail all ye Seniors, we're now on our way,

For soon it will be our most glorious day-----
OUR GRADUATION DAY.

SENIOR'S GOOD-BYE

(Tune: Teen Age Goodnight)

Our school days are over;
Our lessons are learned.
The fun we've had will follow in the future.
So now we may say our good-bye.

Our flowers of orchid and white.
Carnations we had.
Tonight we launch; where shall we anchor?
This wonderful senior good-bye.
